Dear School No. 2 Parents:

In the event that schools should close due to the recent coronavirus concerns here is some important information for School No. 2 students and families.

Our virtual learning plan includes the use of **SeeSaw** and or **Class DOJO** as our main virtual platform for instruction. All subjects, specials, and any related services your child may receive will be communicated through one of these portals. Your children are very familiar with these platforms as they have been using them all school year. Your child will be accessing these learning platforms via the ipad or chrome book that has been temporarily assigned to them from the Little Falls School District. If you choose to use an alternate device you are more than welcome to do so.

In addition to the device your child will temporarily receive you will get a charger and a distance learning folder and any materials they may need to carry out assignments such as crayons, pencils, and notebooks. Inside the folder will be any and all hard copies of work that may be utilized with their assignments. It will also include a list of apps/websites and passwords that your child may need. Please know that your child's teacher will give assignments and provide feedback through the online platform and or email. Students should log in daily to complete assignments. We will track your child's work each day and will count their completed assignments as their daily attendance. Please know that children can log in at any time that works best for your family.

If your child becomes ill during the time our district is closed please follow the traditional procedures of calling our schools and leaving a detailed message for our nurse.

Please know that our staff and administration will be virtually available during traditional school days and hours. Below is a list of apps and websites that your child may be asked to access. As mentioned above your child will be given a more detailed list of app/websites and their respective passwords in the event that we close. **SeeSaw or Class Dojo, Splash Math, Razz Kids, Kahn Academy, Lyrics to Learn, Starfall, Brainpop Jr., Mystery Science**

If you have any questions or concerns please feel free to call me.

Sincerely,

Mrs. Castaldo
