Dear Families,

As we head into Spring Break I want to thank you all for your continued support and cooperation during these unprecedented times. We recognize that juggling personal and professional responsibilities can be both stressful and trying. We hope that this Spring Break is truly that; a break from the demands and frustration.

While we know Spring Break is going to look and feel different this year, we hope that it gives you time to be present with your family. In the event that you have to physically attend work, work from home, or need ideas to fill the time, I have developed a website <https://sites.google.com/view/itisspringbreaknowwhat/home> that provides you with links to different activities that will keep your children busy, engaged, and happy.

Spring Break will begin on Friday, April 10<sup>th</sup> and run until and including Sunday, April 19<sup>th</sup>. At this point we are certain virtual learning will resume on April 20<sup>th</sup> and run until at least April 30<sup>th</sup>. I will keep you informed of any updates we receive from Governor Murphy.

Your patience, understanding, and positivity have not gone unnoticed and are extremely appreciated. As always, I am here for you.

Be safe, be healthy, and be Hornet strong,
