There are times when a parent may have a particular complaint or concern involving their child or their respective school. Each situation should be addressed according to the Chain of Command below:

- I. Contact the teacher involved. If the problem is not within the teacher's responsibility or is not resolved, then:
- II. Contact the Building Principal. Again, if not resolved at this level, then:
- III. Contact the Superintendent of Schools, Tracey Marinelli at 973-256-7371 or [tmarinelli@lfschools.org](mailto:tmarinelli@lfschools.org). If not resolved at this level, then:
- IV. Contact the Board of Education through the Board Secretary, Christopher Jones at 973-256-7371 extension 1103 or [cjones@lfschools.org](mailto:cjones@lfschools.org)
