What is Red Ribbon Week?

The National Family Partnership provides drug awareness by sponsoring the annual National Red Ribbon Campaign. NFP organized the first Nationwide Red Ribbon Campaign in 1985 after a tragic passing where hundreds of people wore red ribbons. Since then the Red Ribbon has touched the lives of millions of people around the world on their commitment to raise awareness of the killing and destruction caused by drugs in America.

How is School No. 2 celebrating?

School No. 2 is kicking off Red Ribbon Week on Monday, October 28, 2019. Ms. Davis will be joining the students during lunch and recess to read, discuss and explore the importance of making good, healthy choices. Weather permitting; we will chalk our blacktop with healthy, motivational words. Supplemental activities will also be provided to the teachers to help remind students the importance of good decisions. Please check the calendar on the left to celebrate our theme days for the week.

Friendly reminder to check out Mrs. Budd and Ms. Davis' "Hornet Counselors' Corner" website that is accessible through our school district website (www.lfschools.org). Please look out for our monthly reminders and activities being posted at the start of each month.
