Opening
Treasurer's Report
Correspondence
Principal Report

Executive Committee Report:
Welcome to one of our last meetings before the school year ends. This was a fantastic year for the PTA and none of the activities would have been successful if it weren't for the effort of the volunteers, families and dedicated staff. Our last big activity is Field Day which will be held June 8 and June 9 with rain dates of June 10 and June 11. We will hold our installation dinner on Tuesday, June 9th. It's an evening to say goodbye to current Board members that are leaving and welcome the new officers. It's also a time to celebrate the PV Scholarship winners and the PTA Lifetime recipients. Thank you to Sabrina Aversa who headed Staff Appreciation Week which went off without a hitch in preparing a week full of surprises for our entire Staff at School #1. Thank you to all those who helped Sabrina. We made sure to remember Mrs. DeFeo, Mrs. Marchesani and Mrs. Fata and Mrs. Perrota in a very special way with gift cards and flowers for their special days. Thank you to Gretchen Stuber and Alexis Kiefer for making these ladies feel appreciated and special.
