Dear Incoming Ninth Grade Families,

On behalf of the faculty and staff at Passaic Valley Regional High School, I would like to welcome your student to the Hornet family. As we prepare for the start of the school year, we are excited to share our **required** summer reading assignment for all incoming ninth-grade students.

Summer reading is an important opportunity for students to engage with literature, strengthen their reading and writing skills, and begin the school year ready for success in English Language Arts. Students should complete the assignment that corresponds to their English I course placement for the 2026–2027 school year. Please review the assignment using the appropriate link below.

English I (All Other Levels) Summer Reading Assignment

We encourage students to begin reading early in the summer. All assignment requirements must be completed before the first day of school. If you have questions regarding course placement or the summer reading assignment, please contact my office for assistance via email at voorhisk@pvrhs.org.

We wish you a safe, enjoyable, and productive summer and look forward to welcoming our newest Hornets in September.

Sincerely,

Krista Voorhis
